### **Tulip Nursery Photography**

I would like to introduce you to Tulip Photography the nursery & school photographers with passion, energy and a fresh modern approach.

We shoot pictures of a very high quality, in a contemporary style and go to great lengths to provide the best quality portraits at affordable prices, so parents will receive great value for money.

### **What's in it for the nursery?**

Better pictures, which means happier parents. You will receive more commission because more pictures are ordered, and friendly and efficient customer service. **We offer a generous commission rate of 17%-20% for nursery/pre-schools/ playgroups etc and 15% for family portrait days (commission payable on sales after VAT).**

We offer a variety of products from single prints to packs and gift ideas starting from as little as £7.50. We come highly recommended and offer a friendly, efficient and personal service.

**We hope you like our style and approach to nursery photography. Please contact us on 0845 838 1778 for more information, we look forward to showing you just how exciting and rewarding photography can be.**
